DEDICATION

If tradition were to have held true, then this year's **Vintage** would have been dedicated to a teacher who, through his or her efforts, has demonstrated a genuine interest in students, on the whole, both in and out of the classroom. The years come and go so quickly, and the teachers remain. Seldom though, is there a class which, through its unity and spirit as a whole, is deserving of a dedication. This year's graduating class of 1979 is one of those such rarities.

Drawing from the strength of the group, the class of '79 has accomplished much. Consecutive victories in two Sports Days could only be bettered by their crowning glory, the Spirit Hall. Dave Eason, an outstanding senior artist, drew and painted the Longhorn mural in the gym, a fitting memorial to this class that has done so much for Leigh.

Their breed is rare, perhaps. It has been mere chance or fate that this group of people was brought together.

Yes, seldom is there a class whose spirit has ridden so high. Seldom has a school seen such an outstanding group of young men and women. And so, with all the respect and admiration it deserves in every facet of its accomplishments, and so that, at least for the moment, these fine young adults receive the credit that they so much deserve, this year's **Vintage** is dedicated to the senior class of '79.

Rance Pow and Steve Henry

The years come and go so quickly, cherish each moment as an eternity, for one day you will look back on these times, and remember, and smile.

Rance Pow

And cheering,
shouting our name
Leigh High is
here to win
another game

And when
the game
goes
down in
history

We'll
have
scored
another
victory

So Fight on
Leigh High
FIGHT! FIGHT! FIGHT!

Hi!

I'm Ismo Kruus, a foreign exchange student here at Leigh during the year 1978-1979. This year has been real special for me and one of the greatest in my life. It is a great experience to live one year with people who have a totally different background and learn a lot about them. I want to thank all those people who have helped me during this year; my teachers, all my friends, and last but not least, my great American family. See you around, especially if you would like to visit me in Finland.

Have fun. Moi!
Ismo

I was very gratified with the overall performance of the longhorn cross country team. Our few teams finished in the following places in the WVAL: Varsity (3rd), JV (3rd), Sophomore (1st), Freshman (2nd), and Girls (1st). At the time of this writing, we should qualify the Frosh-Soph Girls and Varsity Squads to the CCS and hopefully DO well. It was indeed a pleasure to coach this fine group of student-athletes.

I would like to take this opportunity to congratulate this year's team. It is difficult to win championships—Even more when it is expected of you. You came through in the pressure games.

At the start of each year the Vintage staff is faced with the challenge of trying to capture on film the events of the school year. I think that this year we've succeeded in capturing the spirit of Leigh. I hope that you enjoy this book as much as we have enjoyed putting it together for you.

This year we had a new advisor, Mr. Ron Bowen. Thanks for a lot of your help and patience. Wasn't it a fun year. Good luck next year.

Putting together the different sections of the Yearbook is a demanding and time consuming job. For their effort I would like to thank the people who worked on the different sections. They are Terri Hatzell, Kathy Evanoff, Hye Min, Janet Graycroft, Maurine Smith, Lisa Russo, Rance Pow, Steve Henry, Tim Seifert, Lisa Ramsey, Vicky Waite, Lauren Segal, Debbie Leach, Becky Haver, Gayle Rodrigues, Lisa Inouye, and Bob Adrich.

The quality of pictures in a yearbook is very important. I think that the pictures were excellent this year. For this I would like to thank all the people who let us use their pictures, and the people who helped develop pictures for us. They are: Mrs. Jones, Karen Smith, Dave McNamee, Prachi, and Dave Bell. Mr. Bowen, Ned Grant, Marcos Wheeler, and Barry and Steve Henry. Thank you all very much.

I would also like to thank Mindy Delmonico, Mary McLaasie, and Sharon Dahl for all the time they spent typing out copy. Without your help we would have missed every deadline.

The cover of a yearbook is very important and I would like to thank David for his help with the cover. Because of his creativeness our yearbook is unique to our school.

Many thanks go to J. R. Myer for helping us out when we asked.

Thanks again to everyone who helped on this year's Vintage.

Editor 1979 Diana Struch

ONE AND ONLY YOU

Every single blade of grass
And every flake of snow
Is just a wee bit different
There's no two alike you know
From something small, like grains of sand
To that gigantic star
All were made with this in mind
To be just what they are
How foolish, then, to imitate
How useless to pretend
Since each of us comes from a mind
Whose ideas never end
There'll only be just ONE of ME
to show what I can do
And you should, likewise, feel quite proud
There's only ONE of YOU
